

National Space Club Florida Committee
and
Canaveral Council of Technical Societies
invite you to come hang out with us during our next

Networking Event

Brought to you courtesy of

Delaware North Companies Parks & Resorts at KSC

See a side of the space community you've never seen before!

This relaxed networking session promises to:

- Broaden your associations in astronautics and related fields
- Bring you closer to others who are engaged in our nation's and state's space policies
- Give you the pulse on the latest activities in the field
- Introduce you to the Space Club calendar for future events
