and KSC Launching Leaders
are joining together to bring you our first***

Networking Event

See the not-so-stuffy side of the Space Club!

This relaxed networking session promises to:

- Broaden your associations in astronautics and related fields
- Bring you closer to others who are engaged in our nation's and state's space policies
- Give you the pulse on the latest activities in the field
- Introduce you to the Space Club calendar for future events
